Camping Sites are first come, first serve based on arrival time.

Camping Site: Includes 30 amp or 50 amp electrical outlet, water hook-up, access to shower/restrooms, fire ring, picnic tables and sewer waste dump site. You are responsible for your own camper/tent and amenities. Good from Thursday to Saturday.

Dorm Rooms and Campus Lodging- If you require special physical accommodations please let us know by phone or during check in. If you wish to lodge together as a group, please let the attendant know and we will do all we can to accommodate your group. The Wisconsin District Campgrounds are currently in a multi-year beautification project and some dorms and areas are remodeled already and some are not yet. Please excuse any construction that you might encounter on the campgrounds. We are working hard to renew the campus for future generations to enjoy.

Personal Information- Once you have made your registration selections please fill out the personal information form below. We are required to collect personal information for every person that enters the campgrounds.
